HOW TO CALCULATE COSTS

To calculate the cost of your tri-pane window order please follow the steps below:

- Using Quick Quote, prepare the tri-pane window package you intend to order.
- Click 'Save & Close' when finished.
- Highlight your tri-pane quote and click 'Clone' at the top of the page.
- This will create a duplicate quote which you can change to dual-pane. The new dual-pane quote can be used to calculate your window package cost.
- A box will appear—type 'dual-pane pricing quote' in the reference section.
- Click OK and then open up your new quote.
- Click 'Change All' at the top of the screen.
- Click 'Attribute to Change' and select 'IGU Makeup'.
- Click 'Value to Change From' and select 'Tri-pane'.

- Click 'Value to Change To' and select 'Dual-pane'.
- Click 'Change All'—changed items will have a yellow 'OK' in the Status column.
- Click 'OK' to finalize your changes.
- Click 'Save & Close' to exit your new quote.
- The price of this new quote now reflects dual-pane pricing.
- Please use this price to base the sell price to your customer.

HOW TO ORDER

- Simply submit your original 'tri-pane' quote as you would any other order. JELD-WEN will automatically reprice your window order as dual-pane and the adjustment will be reflected on your order confirmation.

If you have any questions please contact your Territory Sales Manager at any time.

JELD-WEN
WINDOWS & DOORS

Tri-pane orders will be processed at the equivalent dual-pane price (for example, orders placed as tri-pane Low-E or tri-pane 2Low-E will be offered at the dual Low-E price. Tri-pane clear orders will be offered at dual clear price). Orders containing both tri-pane and dual-pane products will have the free tri-pane upgrade applied to the dual-pane products. Subject to capacity of any particular product line until the end of the promotion. Regular delivery schedule. Regular terms. These conditions cannot be cumulated with a special quotation or other promotion. Prices are subject to change with 30 days notice. No changes will be accepted after 24 hours of receipt of order and/or past 3:00 pm the following business day of the acknowledgment. Promotion applied to special order products only, does not apply to stock windows or exterior doors.
